some action packed excitement. Followed by time to enjoy
the food and drinks.

All activities are run undercover in our indoor heated pool
and are ideal for primary school aged kids.

Each guest is welcome to stay for a swim when the party is
finished (provided there is adult supervision).

What to Bring

"Don't forget to bring the Birthday Cake"

We provide just about everything you for an action packed
and enjoyable party. The only item you need to provide is
the **Birthday Cake**

Let the staff know if you require a vegetarian menu

You are welcome to bring extra food, however we find that
most times it doesn't get eaten.

Food Provided

"We setup, pack up and most importantly - clean up!"

As a guide, the party food will include:

Party Pies, Party Sausage Rolls, Frankfurts or Hot Chips,
Lollies, Chips & Cordial as the drink.

We can provide a vegetarian menu if required

The kids also get a lolly bag to take home

Swimming Ability

"Making sure it's safe and fun for everyone"

It's important that all children attending the party are able
to swim competently in deep water.

The pool inflatable will be setup in the indoor pool.
The pool depth ranges from 1.0m to 1.35m deep.

Non or Weak Swimmers will need to be actively supervised
by an adult who is in the water with the child at all times.

How To Book

"Book at least 4 weeks in advance or risk missing out"

- 1) Check your date is available
- 2) Book the party & Pay the \$50 deposit

You can do this in person at reception, phone 4677 1251

a call to confirm numbers a few days before the party.

On the Day of the Party

On the day of the party we will have an allocated area
with tables and chairs setup just for you.

Each of your party guests simply let reception know that
they are here for the party. Our staff will count them in
and inform you of the final balance payable.

Party Tips & FAQ's

"Tips & info to help your party run smoothly"

Don't forget to bring the birthday cake

Remember to tell all the party guests to bring their
swimmers and a towel

Remember to tell everyone our address
(it's on the front of this brochure & on the invitations)

Parents can stay and watch for free or they can drop off
their children and return later

All the children are welcome to stay for a swim after the
party as long as there is a parent to supervise

Let the staff know if there are any weak swimmers, we
can provide back bubbles and floaties.

As a guide, 4 year old kids can 'just' negotiate the pool
inflatable. But remember that it will be in water up to
1.3m deep, so they must be able to swim

You are welcome to bring extra food and drinks but usually
the kids don't eat all the food anyway

Finally, and most importantly sit back, relax and let us take
care of all the cooking and cleaning!
